TO DETERMINE IF THE SEMINAR HAS BEEN CANCELLED.**

EVERYONE WELCOME

NO CHARGE

PROGRAM

WINGS PROGRAM REVIEW: The Pilot Proficiency Award Program (WINGS) will be reviewed. Learn how it will benefit you as a pilot to participate in this program.

REGULATIONS: A review and discussion of regulatory responsibilities of owner/operators(s) with respect to aircraft airworthiness and operations. If you have any specific topics that you would like to have discussed, please contact the FSDO.

COLD WEATHER OPERATIONS: A review of operational and airworthiness issues relating to winter operations in rain, snow etc.

“COLLISION AVOIDANCE – AVOIDING THE CLOSE ENCOUNTER”: An AOPA developed refresher video discussing radio communications, scanning techniques, towered and non-towered airport operations, runway safety and historical data relating to flight operations and regulations.

This program meets the safety meeting requirements of the FAA Pilot Proficiency Award (WINGS) Program. Completion of the requirements of the Wings Program as outlined in AC 61-91H, will qualify you to receive a Wings lapel pin and wall certificate. Additionally, if you satisfactorily complete a phase of the Wings Program within the period specified by Section 61.56 of the FAR's, you need not accomplish a flight review. Your local Aviation Safety Counselor (ASC) may also be contacted for additional information.
